FOR THE SAME PRICE.

"I've been serving patients in Virginia for 20 years, and I am truly impressed with 4clear ortho. Thanks 4edental for taking care of the doctors.

- Dr. Ali Modarres

#### CLEAR BRACKET BENEFITS:

- Clear brackets that are virtually invisible
- White wire to camouflage treatment
- No compliance issues
- Affordable payment plans
- Your dentist is certified by the American Academy of Dentistry
- Shorter treatment times
- More complete treatment options while staying fashionable

#### Clear Brackets

Traditional brackets provide a more comprehensive orthodontic treatment. Compliance is not an issue.

#### General Orthodontic Benefits

There is a proven correlation between your tooth health and your overall health. The straighter your teeth, the easier for you to care for them. Some benefits include:

- Heart health
- Lower cancer incidents
- Healthier pregnancies
- Better blood sugar control
- Less stroke occurrence
- Less periodontal disease (gum disease)
- Less dental decay
- Happier psychology

### Clear Trays

CLEAR TRAYS ARE VIRTUALLY  
INVISIBLE AND CONVENIENT FOR  
YOU BUSY LIFESTYLE

The Clear tray system allows you to straighten your teeth with a series of clear plastic trays. You visit your dentist only once a month to verify that your treatment is progressing smoothly.

Once completed, usually less than 6 months, you can whiten your teeth using your 4clear ortho trays. You will then wear retainers to protect your teeth and their alignment. All this is virtually hassle free.

## 4CLEAR ORTHO'S COMMITMENT:

### Certification

Your dentist has been trained and certified by The American Academy of Dentistry. They will have online access to continuing education. This allows you to have access to the most complete orthodontic solution.

### Made in America

Your cases are analyzed and made in America. Your doctor will mail your impressions or models with a prescription to the 4clear ortho facility. In as little as 3 weeks you will be ready to begin treatment.

### Affordable Payment Plans

Your doctor can offer affordable payment plans. This creates access for everyone to have that smile they have always wanted.

### Expert Assistance

We take the confusion out of orthodontics. After your doctor analyzes your case, we fabricate your case to achieve his goals in the shortest amount of time.

## CLEAR TRAY BENEFITS

There are no food restrictions You can brush and floss normally so you are healthier. You can remove the trays for important occasions. Comparable prices to traditional braces.

### Teen Ortho

Most cases can be completed in a 5-6 month time period. If your teen is reliable, 4clear ortho trays are a healthier way to straighten your teeth.

### Grinding and Clenching

Did you know that the clear trays have been known to lessen and even prevent headaches?. Your doctor will show you that not only is it healthier for straight teeth, but the trays also protect your teeth and muscles of mastication.

## QUESTIONS?
