our 4Clear Ortho Referral Plan. Each time

PREFERRED DOCTORS RECEIVE THESE SPECIAL BENEFITS:

Certification

Once you have completed your training you will receive a Diploma from The American Academy of Dentistry, which you can proudly display in your office.

Same Low Cost for Both Systems

No company offers clear brackets and clear trays with the same low certification cost. For the cost of training, you will receive your first lab case free. The patient fee will more than pay for your class

Increase your Office production

On average every office will increase 30-40% gross production. Give yourself a raise and help your patients at the same time.

Expert Assistance

We take the confusion out of ortho. After the training you will be able to offer your patients orthodontics without the stress. Online you can ask the trainers questions. You can ask questions on the discussion page.

Friendly, Caring Staff

We are committed to providing the most professional experience possible. Our staff is specially trained to make you comfortable with the 4clear ortho protocol.

Teen Ortho

Most cases are completed in a 5-9 month period.. Using the bracket system or the tray system, now as the doctor you offer complete solutions. No longer do you have to fear non-compliance of the teen not wearing the trays. You can give your patients clear brackets as an option

Made in America

Your cases are analyzed and made in America. Ship your impressions or models with a prescription to the 4edental facility and in 2 weeks you will have your case shipped back after arrival .

Everything Online

Do your payment prescription and/or your payment online. Ask your trainer questions online.
